

Dear Fellow Bridge Players,

My name is Murphy Green and I am honored to be serving you as the ACBL Youth Advocate for the 2009-2010 year. For those of you that do not know me, I am 15 years old and I live in Alpharetta, Georgia. Bridge has been a passion of mine for three years now and I would like to translate that passion into a source of volunteer work. The Youth Advocate position is perfect for doing just that.

I look forward to serving your interests as the Youth Advocate. Please feel free to contact me with any thoughts, suggestions, comments, etc. I would love to hear from you and I am available via email at YouthAdvocate@acbl.org. With the Youth NABC still on the minds of many, I expect to hear many suggestions in the coming days. Please do not hesitate to send me your thoughts. The suggestions do not have to be solely about the Youth NABC either. They can include anything from improving the ACBL youth program to promoting bridge to starting youth programs in your area. Anything is welcome!

I look forward to hearing from you in the near future.

Murphy Green
Youth Advocate
